

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

AAROHAN

JANUARY - 2023

VISION

To evolve as a leading department by offering best comprehensive teaching and learning practices for students to be self-competent technocrats with professional ethics and social responsibilities.

MISSION

- Continuous enhancement of the teaching-learning practices to gain profound knowledge in theoretical and practical aspects of computer science applications.
- Administer training on emerging technologies and motivate the students to inculcate self-learning abilities, ethical values and social consciousness to become competent professionals.
- Perpetual elevation of Industry - Institute interactions to facilitate the students to work on real - time problems to serve the needs of the society.

IEEE

WEBINAR ON PM-WANI

The SRIT STB 11621, Department of CSE, the IEEE Hyderabad Section Reliability Society Chapter (HS RSC), and the Institution of Engineers (India) Anantapur Local Centre (IE(I)ALC) have collaborated to provide a webinar titled "**PM-WANI Disaggregated Wi-Fi Roaming Architecture to Connect the Unconnected.**" On January 21, 2023, Dr. Satya N. Gupta, Chairman of the Bharath IPV6 forum, addressed attendees via webinar. According to Sri. Mohan Raidu, Chair of the Internet Society Hyderabad Chapter and IEEE Chair of TEMS (Technology Entrepreneurship Management Society), it is the responsibility of the organising institutions to advance the PM-WANI goal of providing internet access for everyone, including in rural areas, so that those who are not connected can also become connected. This information was cited by the government's Digital India Mission. The specialist has highlighted the primary aspects of the Prime Minister's WANI initiative. By handing out the digital keepsake, Dr. R. Bala Subramanian, a member of the IEEE HS RSC Executive Committee, showed his appreciation for the speaker's presentation.

WORKSHOP ON CYBER SECURITY

Workshop on Cyber Security for Third and Fourth Year B.Tech Students at SRIT, Organized by the Department of Computer Science and Engineering in Collaboration with CISCO and the NIIT Foundation, January 23-25, 2023. Mr. Kartik Bhardwaj, an IT trainer with CISCO, served as the workshop's resource person. The primary goal of this workshop was to educate attendees on the fundamentals of cyber security, including the nature of the field, the dangers posed by cyberattacks, and the steps they may take to safeguard themselves. The following ideas were covered in the instructor's three-day workshop:

Day 1: The trainer discussed the importance of cyber security and the tenets of privacy, authenticity, and availability with the class. In addition, he detailed the strategies, methods, and processes employed by hackers.

Day 2: The second day of training focused on the technology, tools, and procedures that are utilised to maintain privacy, integrity, and accessibility.

Day 3: On the third day, the instructor discussed the ways in which cybersecurity experts comply with cyber laws and regulations while implementing protective measures for the whole network.

FACULTY ACHIEVEMENTS

- Mr.C.NAGESH, Assistant Professor From the Department of Computer Science and Engineering, SRIT, has participated in FDP on Recent Trends in Computer Science organized by the department of Emerging Technologies in Computer Science (ECS), G. Pulla Reddy Engineering College (Autonomous): Kurnool - 518007 held from 20th to 24th December 2022.
- Mr.C.NAGESH, Assistant Professor of Computer Science and Engineering, Srinivasa Ramanujan Institute of Technology, Ananthapuramu has participated in a Five-day National Level online FDP on Empirical Data Science and Its Implications organized by Dept. of Computer Science and Engineering (Data Science), SRIT, Ananthapuramu in association with ShreeTech Innovative IT R&D, Madurai held from 03rd to 07th January 2023.
- Mr.C.NAGESH, Assistant Professor From the Department of Computer Science and Engineering, SRIT, has successfully participated in Awareness/Training program under the National Intellectual property Awareness Mission on January 18, 2023, organized by Intellectual Property Office, India.
- Mr.C.NAGESH, Assistant Professor from the Department of Computer Science and Engineering has Published in International Journal of Management, Technology, and Engineering on Time-Series Forecasting of Rainfall Using Deep Learning and Machine Learning Techniques, ISSN NO: 2249-7455, Volume XII, Issue XII, DECEMBER 2022.
- Mr. K Kondanna, Assistant Professor from the Department of CSE (Data Science) attended a Faculty Development Program on "Societal Applications of Machine Learning organized by the Department of CSE, Shri Vishnu Engineering College for Women(A), Bhimavaram from 26-12-2022 to 30-12-2022.
- Mr. K Kondanna, Assistant Professor from the Department of CSE(Data Science) attended the National level Faculty Development Program on Empirical Data Science and Its implications organized by the Department of CSE (Data Science), SRIT, Anantapur from 03-01-2023 to 07-01-2023.
- Mr. K Kondanna, Assistant Professor from the Department of CSE(Data Science) participated Intellectual Property training program under the National Intellectual Property awareness Mission on 18-02-2023 organized by Intellectual Property Office, India.
- Mr. K Kondanna, Assistant Professor from the Department of CSE (Data Science) participated NAAC Assessment for Accreditation Process organized by the Department of Mechanical Engineering, SRIT, Anantapur on 31-01-2023.
- Mr. C.Lakshminatha Reddy, Assistant Professor from the Department of Computer Science Engineering attended FDP on Recent Trends in Computer Science from 20-12-2022 to 24-12-2022 G. Pullareddy Engineering College, Kurnool.

FACULTY ACHIEVEMENTS

- Mr. M. Narasimhulu, Assistant Professor from the Department of Computer Science Engineering Participated 5 Day National Level online FDP on Empirical Data Science and its Implications (online mode) organized by the Department of Computer Science Engineering (Data Science), SRIT College (Autonomous), Anantapur in association with Shree Tech Innovation IT R&D, Madurai held from 03rd to 07th January 2023.
- Mr. M. Narasimhulu Assistant Professor from the Department of Computer Science Engineering Participated one a day workshop on the NACC Assessment for Accreditation process organized by the Department of Mechanical Engineering, SRIT on 31st January 2023
- Mr.D.RAJESH BABU, Assistant Professor from the Department of Computer Science and Engineering has participated in 5 Day National Level Faculty Development Program on Recent Trends in Computer Science organized by the Department of Emerging Technologies in Computer Science (ECS) held from 20th to 24th December 2022.
- Mr.D.RAJESH BABU, Assistant Professor From the Department of Computer Science and Engineering successfully participated in IP Awareness/Training program on January 18, 2023, organized by Intellectual Property Office, India.
- Mr.D.RAJESH BABU, Assistant Professor From the Department of Computer Science and Engineering has participated in a Five-day National Level online FDP on Empirical Data Science and Its Implications organized by Dept. of Computer Science and Engineering (Data Science), SRIT, Ananthapuramu in association with ShreeTech Innovative IT R&D, Madurai held from 03rd to 07th January 2023.
- Dr.B.Harichandana, Associate Professor from the Department of Computer Science & Engineering has Participated in a Five-day National Level online FDP on Empirical Data Science and Its Implications organized by Dept. of Computer Science and Engineering (Data Science), SRIT, Ananthapuramu from 3-JAN to 7-JAN 2023
- Dr.B.Harichandana, Associate Professor participated in a workshop on NAAC Assessment for Accreditation Process" Organized by the Department of Mechanical Engineering, SRIT on 31st January 2023.
- Mr. P. Veera Prakash Assistant Professor From the Department of Computer Science and Engineering Participated 5 Day National Level online FDP on Empirical Data Science and its Implications (online mode) organized by the Department of Computer Science Engineering (Data Science), SRIT College (Autonomous), Anantapur in association with Shree Tech Innovation IT R&D, Madurai held from 03rd to 07th January 2023.
- Mr. P. Veera Prakash Assistant Professor from the Department of Computer Science Engineering Participated one a day workshop on the NACC Assessment for Accreditation process organized by the department of Mechanical Engineering, SRIT on 31st January 2023

FACULTY ACHIEVEMENTS

- Mrs.S.Sunitha, Assistant Professor from CSM has completed an FDP on Empirical DataScience and its implications offered by SRIT-in month of Jan-2023,
- Mr. P. Veera Prakash, Assistant Professor from the Department of Computer Science Engineering successfully Completed Pearson VUE Certified Test Administrator on 25-Jan-2023
- Mr. P Veera Prakash Assistant Professor from the Department of Computer Science Engineering has participated in the annual event "EduSkills Connect 22" on Dec 2022 at Radisson Blu Plaza Delhi Airport, Delhi.
- Mrs.S.Sunitha, Assistant Professor from CSM has completed an FDP on Recent Trends in Computer Science offered by G.Pullareddy Engineering College in the month of Dec-2022
- Mrs.S.Sunitha, Assistant Professor from CSM Paper presentation Certificate on the paper entitled 'Survey on Human Activity Recognition by Deep Learning and Machine Learning in the month of Dec-2022
- Mrs. G. NAGALEELA, Assistant Professor from the Department of Computer Science and Engineering has completed a Five-day National Level online FDP on "Empirical Data Science and Its Implications" In the month of January 2023.
- Mrs. G. NAGALEELA, Assistant Professor from the Department of Computer Science and Engineering has completed a Workshop on "NAAC Assessment for Accreditation Process" In the month of January 2023.
- Mr. Lingam Suman, Assistant Professor from the department of CSE has attended 5 Day National Level online FDP on Empirical Data Science and its Implications organized by the department of Computer Science Engineering (Data Science), SRIT College (Autonomous), Anantapur in association with Shree Tech Innovation IT R&D, Madurai held from 03rd to 07th January 2023.
- Mr. Lingam Suman, Assistant Professor from the department of CSE attended the workshop on "NAAC Assessment for Accreditation Process" Organized by the Department of Mechanical Engineering, SRIT on 31st January 2023.
- Mr. C.Lakshminatha Reddy, Assistant Professor from the Department of Computer Science Engineering Attended FDP on 5-Days National Level Online Faculty Development Program on Machine Learning Approaches for Engineering Applications from 27th Dec 2022 to 31st Dec 2022, PRATHYUSHA ENGINEERING COLLEGE Poonamallee-Thirivallur High Road, Thiruvallur-602025, Tamilnadu, India.

FACULTY ACHIEVEMENTS

- Mr. C.Lakshminatha Reddy, Assistant Professor from the Department of Computer Science Engineering Attend an Online webinar and successfully participated in IP Awareness/Training program under the National Intellectual property awareness mission on January 18-02-2023 organized by the Intellectual property office, India.
- Mr. C.Lakshminatha Reddy, Assistant Professor from the Department of Computer Science Engineering has Attend FDP on Five-day National Level online FDP on Empirical Data Science and Its Implications organized by Dept. of Computer Science and Engineering (Data Science), SRIT, Ananthapuramu in association with ShreeTech Innovative IT R&D, Madurai held from 03rd to 07th January 2023.
- Mr. P. Veera Prakash Assistant Professor Department of Computer Science and Engineering participated in IP Awareness/Training program under NATIONAL INTELLECTUAL PROPERTY AWARENESS MISSION on January 18, 2023, Organized by Intellectual Property Office, India.
- Mrs. M. Soumya, Assistant Professor from the Department of Computer Science and Engineering has attended a Workshop on "Empirical Data Science and Its Implications" organized by Dept. of Computer Science and Engineering (Data Science), SRIT, Ananthapuramu in association with ShreeTech Innovative IT R&D, Madurai held from 03rd to 07th January 2023.
- Mrs.M. Soumya, Assistant Professor from the Department of Computer Science and Engineering attended the workshop on "NAAC Assessment for Accreditation Process" organized by the Department of Mechanical Engineering, SRIT on 31st January 2023.
- Mr. B. Sreedhar Assistant Professor from the Department of Computer Science and Engineering (AI & ML) attended the workshop on "NAAC Assessment for Accreditation Process"
- Mr. B. Sreedhar Assistant Professor from the Department of Computer Science and Engineering (AI & ML) attended a Workshop on "Empirical Data Science and Its Implications" organized by Dept. of Computer Science and Engineering (Data Science), SRIT, Ananthapuramu in association with ShreeTech Innovative IT R&D, Madurai held from 03rd to 07th January 2023.
- Mr. K. Venkatesh, Assistant Professor from the Department of Computer Science and Engineering (Data Science) has participated in 5 Day Online National Level Faculty Development Program on "Data Science and Its Implications" organized by the Department of Computer Science and Engineering (Data Science), Srinivasa Ramanujan Institute of Technology from 03rd to 07th January 2023.

FACULTY ACHIEVEMENTS

- Mr. K. Venkatesh, Assistant Professor from the Department of Computer Science and Engineering (Data Science) Successfully Participated in IP Awareness/Training Program under National Intellectual Property Awareness Mission on January 18, 2023.
- Dr. G. Hemanth Kumar Yadav, Associate Professor of the Department of Computer Science and Engineering(AI & ML)has Participated in the Five Days National Level Faculty Development Program on “Recent Trends in Computer Science ” organized by the Department of Emerging Technologies in Computer Science (ECS), G. Pulla Reddy Engineering College (Autonomous), Kurnool from 20-12-2022 to 24-12-2022.
- Dr. G. Hemanth Kumar Yadav, Associate Professor of the Department of Computer Science and Engineering(AI & ML)has participated in Five Days National Level online Faculty Development Program on “Empirical Data Science and its Implication ” organized by the Department of Computer Science and Engineering (Data Science), Srinivasa Ramanujan Institute of Technology (Autonomous), Anantapur in association with ShreeTech Innovative IT R&D, Madurai held from 03-01-2023 to 07-01-2023.
- Mr. Praneel Kumar Peruru, Assistant Professor from the Department of Computer Science and Engineering has completed a course on Empirical Data Science and Its Implications offered by SRIT - Anantapur from 3rd January to 7th January 2023.
- Dr. G. Hemanth Kumar Yadav, Associate Professor of the Department of Computer Science and Engineering(AI & ML)has participated in a Workshop on “NAAC Assessment for Accreditation Process” organized by the Department of Mechanical Engineering, Srinivasa Ramanujan Institute of Technology (Autonomous), Anantapur held on 31-01-2023.
- Mr. Praneel Kumar Peruru, Assistant Professor from the Department of Computer Science and Engineering has completed a training program on National Intellectual Property Awareness Mission by Intellectual Property India held on 18th January 2023.
- Mr. Praneel Kumar Peruru, Assistant Professor from the Department of Computer Science and Engineering has completed a webinar on Effective scientific discovery and writing leveraging Web of Science: Discovery begins here! held on 30th January 2023.
- Mr. Praneel Kumar Peruru, Assistant Professor from the Department of Computer Science and Engineering has completed a one-day workshop on NAAC Assessment for Accreditation Process on 31st January 2023
- Dr. T V Naga Jayudu, Associate Professor from the Department of Computer Science and Engineering has participated in the 5-day National Level Faculty Development Program on “Empirical Data Science and Its Applications”, organized by Srinivasa Ramanujan Institute of Technology, Anantapur, from 03-01-2023 to 07-01-2023

FACULTY ACHIEVEMENTS

- Dr. T V Naga Jayudu, Associate Professor from the Department of Computer Science and Engineering has Participated in a 5-day National Level Faculty Development Program on "Recent trends in Computer Science", organized by G. Pulla Reddy Engineering College, Kurnool, from 20-12-2022 to 24-12-2022
- Dr. P. Chitralingapa Associate Professor from the Department of CSE (Data Science) participated NAAC Assessment for Accreditation Process organized by the Department of Mechanical Engineering, SRIT, Anantapur on 31-01-2023.
- Dr. C SASIKALA, Associate Professor of Computer Science and Engineering, Srinivasa Ramanujan Institute of Technology, Ananthapuramu has participated in a Five-day National Level online FDP on "Empirical Data Science and Its Implications" organized by Dept. of Computer Science and Engineering (Data Science), SRIT, Ananthapuramu in association with ShreeTech Innovative IT R&D, Madurai held from 03rd to 07th January 2023.
- Dr. P. Chitralingappa, Associate Professor of Computer Science and Engineering, Srinivasa Ramanujan Institute of Technology, Ananthapuramu acted as Convenor in a Five-day National Level online FDP on "Empirical Data Science and Its Implications" organized by Dept. of Computer Science and Engineering (Data Science), SRIT, Ananthapuramu in association with ShreeTech Innovative IT R&D, Madurai held from 03rd to 07th January 2023.
- Dr. C SASIKALA, Associate Professor of Computer Science and Engineering, Srinivasa Ramanujan Institute of Technology participated in the workshop "NAAC Assessment for Accreditation Process" Organized by the Department of Mechanical Engineering, SRIT on 31st January 2023.
- V.Kamakshamma, Participated in a Five-day National Level online FDP on "Empirical Data Science and Its Implications" organized by Dept. of Computer Science and Engineering (Data Science), SRIT, Ananthapuramu in association with ShreeTech Innovative IT R&D, Madurai held from 03rd to 07th January 2023.
- Mrs. V. Kamashama, Assistant Professor, Department of Computer Science and Engineering (CSM) got a Certificate from NPTEL as a "TOP PERFORMING MENTOR" for the course "Introduction to Internet Of Things" during JUL-DEC 2022.
- Mrs. V. Kamashama, Assistant Professor, Department of Computer Science and Engineering (CSM) Completed java full stack 2.0 master class at Pantech e-learning private limited from 10-12-2022 to 10-01-2023 organized by SKILL AP-APSSDC.
- Mrs. V. Kamashama, Assistant Professor, Department of Computer Science and Engineering (CSM) Attended a workshop on "NAAC Assessment for Accreditation Process" Organized by the Department of Mechanical Engineering, SRIT on 31st January 2023

FACULTY ACHIEVEMENTS

- Mr. G.Chinna Pullaiah, Assistant Professor from the Department of Computer Science & Engineering has Participated in "Empirical Data Science and its Implications" organized by the Dept. of CSE(DS), SRIT on 3rd to 7th January 2023.
- Mr. G.Chinna Pullaiah, Assistant Professor from the Department of Computer Science & Engineering Participated in the IP Awareness /Training Program under the "NATIONAL INTELLECTUAL PROPERTY AWARENESS MISSION" on 18th January 2023, organized by the Intellectual Property Office, India.
- Mr. G.Chinna Pullaiah, Assistant Professor from the Department of Computer Science & Engineering Attended a workshop on "NAAC Assessment & Accreditation Process" on 31st January 2023, organized by the Department of Mechanical Engineering, Srinivasa Ramanujan Institute of Technology, Ananthapuramu.
- Mr. Nazeer Shaik Assistant Professor, Department of Computer Science Engineering (CSD) published A System for Providing Cyber Security by Improved Predictive Potential of Machine Learning and Method Thereof. Application No.202341001491 A.
- Mr. Nazeer Shaik Assistant Professor, Department of Computer Science Engineering (CSD) published A System and Method for Encrypting Emoticon Communications Using AI and ML. Application No: 202241076969.
- Mr. Nazeer Shaik Assistant Professor, Department of Computer Science Engineering (CSD) published Adaptive And Fault-Tolerant Data Processing in Healthcare Internet of Things. Application No: 202241076238.
- Mr. Nazeer Shaik Assistant Professor, Department of Computer Science Engineering (CSD) published A System for Providing ML-Based Interpretation of Digital Video with Computer Vision Means. Application No: 202241073038 A
- Mr. Nazeer Shaik Assistant Professor, Department of Computer Science Engineering (CSD) participated in the One Week Online National Faculty Development Program on "An Empirical Data Science & Its Implications" from 03-01-2023 to 7-01 -2023 organized by Dept. Of. Computer Science Engineering - Data Science at SRIT -ATP -Andhra Pradesh.
- Mr. Nazeer Shaik Assistant Professor, Department of Computer Science Engineering (CSD) participated in One Day Off-Line FDP on "NAAC Assessment for Accreditation Process" conducted by Mechanical Engg at SRIT- Campus on 31-01-2023.
- Mr. Nazeer Shaik Assistant Professor, Department of Computer Science Engineering (CSD) participated in One Day Awareness /Training Under National Intellectual Property Awareness Mission Organized by IP Office -India (NIPAM) on January 18-2023.

FACULTY ACHIEVEMENTS

- Mr. Pagidipalle Shajahan, Assistant professor, Department of CSE participated in 5 days workshop held at SRIT ENGINEERING COLLEGE ANANTAPUR organized by the Department of CSM
- Mr. Pagidipalle Shajahan Assistant professor in the Department of CSE participated in the NAAC workshop held at SRIT ENGINEERING COLLEGE ANANTAPUR organized by the Department of Mechanical engineering on January 31, 2023
- Mrs. M. Soumya, Assistant professor from the department of computer science and Engineering has attended an awareness session on National Intellectual property.
- Mr. P. Rama Bayapa Reddy, Assistant Professor from the Department of Computer Science and Engineering (Data Science) has participated in Faculty Development Program (FDP) on Recent Trends in Computer Science organized by the Department of Emerging Technologies in Computer Science (ECS), G. Pullareddy College of Engineering (Autonomous), Kurnool, A.P. held from 20th to 24th December 2022.
- Mr. P. Rama Bayapa Reddy, Assistant Professor from the Department of CSE(Data Science) has participated in IP Awareness/Training program under the National intellectual Property mission, organized by Intellectual Property Office, India on January 18, 2023.
- Mr. P. Rama Bayapa Reddy, Assistant Professor from the Department of CSE(Data Science) has participated in a Five-day National Level online FDP on "Empirical Data Science and Its Implications" organized by Dept. of Computer Science and Engineering (Data Science), SRIT, Ananthapuramu in association with ShreeTech Innovative IT R&D, Madurai held from 03rd to 07th January 2023.
- Mr. P. Rama Bayapa Reddy, Assistant Professor from the Department of CSE(Data Science) attended a workshop "NAAC Assessment for Accreditation Process" Organized by the Department of Mechanical Engineering, SRIT, Rotary Puram, Anantapuramu on 31st January 2023.
- Mr. B. Vijaya Bhaskar Reddy, Assistant Professor from the Department of CSE-Artificial Intelligence & Machine Learning has participated in the Five Days National Level Faculty Development Program on "Recent Trends in Computer Science " organized by the Department of Emerging Technologies in Computer Science (ECS), G. Pulla Reddy Engineering College (Autonomous), Kurnool from 20-12-2022 to 24-12-2022.
- Mr. B. Vijaya Bhaskar Reddy, Assistant Professor from the Department of CSE-Artificial Intelligence & Machine Learning participated in IP Awareness/ Training Program under NATIONAL INTELLECTUAL PROPERTY AWARENESS MISSION (NIPAM) organized by Intellectual Property Office, India on 18-01-2023.

FACULTY ACHIEVEMENTS

- Mr. B Vijaya Bhaskar Reddy, Assistant Professor from the Department of CSE-Artificial Intelligence & Machine Learning Engineering has participated in Five Days National Level online Faculty Development Program on "Empirical Data Science and its Implication " organized by the Department of Computer Science and Engineering (Data Science), Srinivasa Ramanujan Institute of Technology (Autonomous), Anantapur in association with ShreeTech Innovative IT R&D, Madurai held from 03-01-2023 to 07-01-2023.
- Mr. B Vijaya Bhaskar Reddy, Assistant Professor from the Department of CSE-Artificial Intelligence & Machine Learning Engineering has participated in a Workshop on "NAAC Assessment for Accreditation Process" organized by the Department of Mechanical Engineering, Srinivasa Ramanujan Institute of Technology (Autonomous), Anantapur held on 31-01-2023.
- Mr. Pagidipalle Shajahan, Assistant professor in the department of CSE published a SCOPUS paper on January 4th, 2023 with the title "A Novel Machine Learning Framework for Tracing Covid Contact Details by Using Time Series Locational data & Prediction Techniques" with reference to ISSN: 2321-8169 Volume: 11 Issue: 2s from page no 202 to 211.
- Mr. G Ganesh, Assistant Professor from the Department of Computer Science Engineering(CSD) Attended a workshop on the NAAC Assessment for Accreditation Process organized by the Department of Mechanical Engineering, Srit on 31st January 2023.
- Mr. G Ganesh, Assistant Professor from the Department of Computer Science Engineering(CSD) has participated in a five-day National level online FDP ON Empirical Data Science and its Implications organized by Dept. of Computer Science and Engineering(CSD) Srit, Ananthapuramu in association with ShreeTech Innovative IT R&D Madurai held from 3rd to 7th January 2023.
- Mr. G Ganesh, Assistant Professor from the Department of Computer Science Engineering(CSD) participated in IP Awareness Training Program under NATIONAL INTELLECTUAL PROPERTY AWARENESS MISSION on January 18, 2023, organized by the Intellectual property office, India
- Mr.S MP Qubeb, Assistant Professor from the Department of Computer Science and Engineering has participated from Srinivasa Ramanujan Institute of Technology in empirical data science and its implications from cse department from 3rd to 7th January 2023
- Mr. S MP Qubeb, Assistant Professor from the Department of computer science and engineering participated in Srinivasa Ramanujan Institute of Technology on NAAC Assessment for Accreditation Process on 31st January 2023

FACULTY ACHIEVEMENTS

- D Jeevana Jyothi, Assistant Professor from the Department of Computer Science and Engineering has completed a five-day National level online FDP on Empirical data science and its implications organized by the Department of Computer Science and Engineering(Data Science), SRIT, Anantapuramu in the Association with Shree Tech Innovative IT R&D, Madurai held from 3rd to 7th January 2023.
- Mrs.K.Uma Devi Assistant Professor of Computer Science and Engineering, Srinivasa Ramanujan Institute of Technology, Anantapur has participated in a Five-day National Level online FDP on "Empirical Data Science and Its Implications" organized by Dept. of Computer Science and Engineering (Data Science), SRIT, Anantapur in association with ShreeTech Innovative IT R&D, Madurai held from 03rd to 07th January 2023.
- Mrs.K.Uma Devi Assistant Professor of Computer Science and Engineering, Srinivasa Ramanujan Institute of Technology, Anantapur got a Participation Certificate for attending the "NACC Assessment For Accreditation Process" organized by the Dept. of Mechanical Engineering SRIT on 31st January 2023.
- Mrs.K.Uma Devi Assistant Professor of Computer Science and Engineering, Srinivasa Ramanujan Institute of Technology, Anantapur Act as an Event Coordinator for the Webinar of "PM-WANI: Disaggregated Wi-Fi Roaming Architecture to Connect the Unconnected".
- Mrs.G.Sudha Gowd, Assistant Professor from the Department of Computer Science and Engineering has completed a 5-day National Level FDP on Empirical Data Science and its Implications" organized by dept. of cse(data science), SRIT Anantapuramu in association with ShreeTech Innovative IT R*D, Madhurai held from 03rd to 07th January 2023.
- Mrs. G. Sudha Gowd, Assistant Professor from the Department of Computer Science and Engineering participated in one day workshop on "NAAC Assessment for Accreditation Process" organized by the Department of Mechanical Engineering, SRIT Anantapuramu on 31st January 2023.
- Mrs. G Sudha Gowd, Assistant Professor from the Department of Computer Science and Engineering participated in IP Awareness/Training program International Intellectual Property Awareness Mission on January 25, 2023
- D Jeevana Jyothi, Assistant Professor from the Department of Computer Science and Engineering has completed a five-day National level online FDP on Recent Trends in Computer Science organized by the department of Emerging Technologies in Computers (ECS) held from 24th to 24th December 2022.
- .Ms.LOKESWARI.G, Assistant Professor from the Department of Computer science & Engineering participated in Five days FDP on "Empirical Data Science and Its Implications" from 3rd to 7th JAN.

FACULTY ACHIEVEMENTS

- Ms.LOKESWARI.G, Assistant Professor from the Department of Computer science & Engineering participated in One day workshop on "NIPAM" on 18th JAN and 25th JAN.
- Ms.LOKESWARI.G, Assistant Professor from the Department of Computer science & Engineering attended the "CybersKool" class organized by Koo, CERT-In, and CyberPeace Foundation on 20th JAN.
- Ms.LOKESWARI.G, Assistant Professor from the Department of Computer science & Engineering attended One day workshop on "NAAC ASSESSMENT" on 31st JAN.
- Mr. C. Sudheer Kumar, Assistant Professor, from the Department of Computer Science & Engineering, participated in a Five-day National Level online FDP on "Empirical Data Science and its implications" Organized by the Department of Computer Science and Engineering (Data Science), SRIT, Anathapuramu in Association with SreeTech Innovative IT R&D, Madurai held from 3rd to 7th January 2023.
- Mr. C. Sudheer Kumar, Assistant Professor, from the Department of Computer Science & Engineering Participated in the Online Faculty Development (FDP) on Recent Trends in Computer Science organized by the Department of Emerging Technologies in Computer Science, G. Pulla Reddy Engineering College, Kurnool held from 20th December to 24th December 2022.
- Mr. C. Sudheer Kumar, Assistant Professor, from the Department of Computer Science & Engineering Received a Certificate of appreciation for the role of SPOC - NPTEL Local Chapter.

STUDENT ACHIEVEMENTS

Ms. D. Siri, a Computer Science and Engineering alumnus of the 2021 batch, and Ms. K. Chudamani of current IV B.Tech Civil Engineering have participated in the 5-day 26th National Youth Festival - 2023 held at Darwad, Karnataka.
